The New York Stories (Penguin Classics) John O'Hara

Collected for the first time, the New York stories of John O'Hara, "among the greatest short story writers in English, or in any other language" (Brendan Gill, *Here at The New Yorker*)

Collected for the first time, here are the New York stories of one of the twentieth century's definitive chroniclers of the city—the speakeasies and highballs, social climbers and cinema stars, mistresses and powerbrokers, unsparingly observed by a popular American master of realism. Spanning his four-decade career, these more than thirty refreshingly frank, sparely written stories are among John O'Hara's finest work, exploring the materialist aspirations and sexual exploits of flawed, prodigally human characters and showcasing the snappy dialogue, telling details and ironic narrative twists that made him the most-published short story writer in the history of the *New Yorker*.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From the Trade Paperback edition.
