L'università in Italia (Farsi un'idea) (Italian Edition) Giliberto Capano

Dopo una lunga attesa, è arrivata la riforma del sistema universitario italiano: lasciamo un sistema centralizzato, con un solo titolo di studio, la laurea, per andare verso un sistema decentralizzato, dove ci saranno la laurea e la laurea specialistica. La formula 3+2, i crediti formativi e la politica dell'autonomia sono gli strumenti con cui differenziare i corsi di studio, mettere le università in competizione fra loro per rispondere meglio alle esigenze del sistema-paese. Questo libro ci illustra come è e come sarà gestita l'università italiana, chi la frequenta, da dove provengono le sue risorse. Guardando al futuro senza nascondere rischi e difficoltà, ci dice anche come docenti, non docenti, studenti e organi di governo possano contribuire a rendere l'università italiana più competitiva, più flessibile, insomma più "europea".
