In a chapel service in rural Wales, all is not what it seems . . .

A stage adaptation of one of the most celebrated and controversial short-story collections in the history of Anglo-Welsh literature. Originally published in 1915, the searing stories of *My People* – darkly comic, poignant, with flashes of savagery – exposed the hypocrisy and avarice nestling side-by-side in a Nonconformist community in the rural West Wales of the early 1900s.

First produced in the centenary year of the publication of the original collection, this radical reimagining makes us question whether the events depicted in these remarkable stories are consigned to the past, or can we discern uncomfortable parallels in our modern life?

This programme text edition was published to coincide with the world premiere of the stage adaptation on 5 November 2015 at Clwyd Theatr Cymru, in a co-production with Invertigo Theatre.
