An empty mind is a safe mind.

Yulia's father always taught her to hide her thoughts and control her emotions to survive the harsh realities of Soviet Russia. But when she's captured by the KGB and forced to work as a psychic spy with a mission to undermine the U.S. space program, she's thrust into a world of suspicion, deceit, and horrifying power. Yulia quickly realizes she can trust no one--not her KGB superiors or the other operatives vying for her attention--and must rely on her own wits and skills to survive in this world where no SEKRET can stay hidden for long.
