Torn from Troy: Odyssey of a Slave: Book 1 Patrick Bowman

Two-and-a half millennia after it was created, Homer's Odyssey remains one of humanity's most memorable adventure stories. In this re-creation of Homer's classic as a young adult novel, we see the aftermath of the Trojan War through the eyes of Alexi, a fifteen-year-old Trojan boy. Orphaned by the war and enslaved by Odysseus himself, Alexi has a very different view of the conquering heroes of legend. Despite a simmering anger towards his captors, Alexi gradually develops a grudging respect for them. As the Greeks fight off the angry Cicones, weather a storm that pushes them far beyond charted waters, and nearly succumb to the blandishments of the bewitching Lotus-eaters, he realizes that they are not the demons they were said to be, but people like himself.
