The Red Thread: A Novel Ann Hood

The new bestseller from the author of *The Knitting Circle*: “Is there anyone who can write about the connections between ordinary people as well as Ann Hood does?”—Jodi Picoult

“In China there is a belief that people who are destined to be together are connected by an invisible red thread. Who is at the end of your red thread?” After losing her infant daughter in a freak accident, Maya Lange opens *The Red Thread*, an adoption agency that specializes in placing baby girls from China with American families. Maya finds some comfort in her work, until a group of six couples share their personal stories of their desire for a child. Their painful and courageous journey toward adoption forces her to confront the lost daughter of her past. Brilliantly braiding together the stories of Chinese birth mothers who give up their daughters, Ann Hood writes a moving and beautifully told novel of fate and the red thread that binds these characters’ lives. Heartrending and wise, *The Red Thread* is a stirring portrait of unforgettable love and yearning for a baby.
