"Oh do not jest thy doom"

*The Revengers Tragedy* is an intense tragic burlesque. Its hero, Vindice, desires to avenge the death of his betrothed. Operating in disguises he provokes discord among his enemies so that they plot against each other. It is an anonymous masterpiece (the play was entered in the Stationers Register on 7th October 1607 without an author being named) produced at a crucial phase in Jacobean theatre with *Hamlet*, *The Malcontent*, *Measure for Measure*, *Volpone* and *King Lear* all recently performed. Written with vivid imagery, the play contains energetic, high-spirited action and brooding, slow-paced scenes on the subjects of death, revenge and evil, culminating in an unexpected ironic climax.

This new student edition contains a completely re-edited text of the play and a new Introduction examining this unique combination of poetic tragedy, macabre farce and satire, focused on the dark brilliance of the hero Vindice. It also views the play in wider contexts - of contemporary attitudes to women, as well as contemporary debates concerning rebellion against tyranny.
