What Happens In Cornwall... T A Williams

A heartwarming summer romance to whisk you off your feet. Perfect for fans of Fern Britton, Caroline Roberts and Debbie Johnson.

For a very British summer holiday...

When archaeologist Sam realises her relationship is as dead as the skeletons she's exhuming, she knows it's time to make a change. But with bills to pay her options are limited...until a discovery on Rock Island in Cornwall gives her a reason to escape...

Head to the Cornish coast!

In Cornwall, questions are thrown up at every turn: who is the glamorous owner of Rock Island that the paparazzi are so interested in? How has the irresistible, but impossibly arrogant, history professor James Courtney managed to get so far under Sam's skin? And will it ever stop raining so Sam can lose the cagoule and sip a cool drink in the sun? One thing's for sure: there's never been a holiday quite like this one!

Enjoy a summer of surprises and romance with *What Happens in Cornwall...* – the perfect retreat for fans of Fern Britton, Caroline Roberts and Debbie Johnson.
