Care of the Professional Voice: A Management Guide for Singers, Actors and Professional Voice Users

D Garfield Davies, Anthony Jahn

This book is an introductory, practical guide to caring for the professional voice, whether it is used for public speaking, drama or any kind of singing. It is designed to be accessible to those who use, or train others to use their voices professionally and will be useful to clinicians caring for patients.

It includes sections on general medical conditions and related medication, vocal hygiene, tension and performance, and preparation for performance - all of which provide sound, practical advice for the professional.

It will enable readers to gain a good, general understanding of the conditions that affect vocal performance, types of diseases and their therapy. For students embarking on a career it will help them nurture and get the best out of their vocal skills.

Whether you are a qualified clinician, or a professional wanting to know more about this crucial aspect of performance, this book provides all the basic information required for the adequate long-term care and management of the voice.
