A picture's worth a thousand words--but a picture on a page colorfully decorated by the latest in rubber stamps is worth a million! Stamps make it so easy to add frames, imaginative details, and clever motifs. They'll turn a plain piece of paper into a personalized calendar or transform thin slats of balsa into attractive "wooden postcards." Have lots of pictures to frame? Make it a triple play with a triple window-frame card. One suggestion: place your pictures inside three portholes, and then continue the ocean theme with stamped fish and sponged-on "water." You'll cherish these brilliant ideas and use them again and again!
