In her best-selling novel *Bigger*, Patricia Calvert followed young Tyler Bohanon on his moving and courageous trek to Texas in search of a father who never returned from the Civil War. Now, in this powerful sequel, we see Tyler and his new pup, Sooner, at home. Barely an adult himself, Tyler is forced to take on the duties of the man of the house. And in the postwar era, even the basic needs of farm life are in short supply. He and his family struggle to maintain their balance, building a new life without Papa, who, they learn from a surprise visitor, has died and will never return.
