Blood of the Lamb: A Novel of Secrets Sam Cabot

Father Thomas Kelly has been called to the Vatican. A Cardinal's desperate plea: find a missing document that contains a secret so shocking it could shatter the Church. Livia Pietro, in Rome, has been called before the Noantri Conclave. Her mission: join the Jesuit priest on his search—because one misstep could destroy her people as well.

As Thomas and Livia are thrown into a treacherous whirlwind of art, religion, and age-old secrets, they find themselves pursued by enemies who will do anything to stop them. Only the Conclave knows the true gravity of the document's revelations. The Noantri—Livia and her people—are vampires. And the unimaginable secrets of their past are far too dangerous for man to ever know.
