Forbidden Nights: Seductive Nights Lauren Blakely

A smoldering and sensual stand-alone romance novel in the *New York Times* and *USA TODAY* best-selling *Seductive Nights* Series by Lauren Blakely....

Sinfully sexy hotel CEO Nate Harper knows exactly how to please a woman. He's equally skilled in keeping his heart safe from the kind of hurt his ex inflicted on him years ago. But one thing he's not so good at whatsoever is getting his mind and all his dirty thoughts off the gorgeous, outgoing, and absolutely captivating Casey Sullivan, the new head of the Joy Delivered company.

They've been friends for years now, and Casey trusts Nate completely. So it makes perfect sense to her to ask him for hands-on guidance when she finds herself in need of some of his romantic expertise.

The trouble is, his heart may be signing up for more than it bargained for when he agrees to help her learn to abandon her need for control in the bedroom. Because as she experiences what it means to let go, he'll start to experience what it means to feel again....

But what happens when all those forbidden nights turn into a deeper connection that's much more than either bargained for?
