**Guns Save Lives: True Stories of Americans Defending Their Lives With Firearms** Robert A. Waters  
**Guns Saves Lives** contains true stories of Americans who altered the course of their lives and others by their use of firearms. They stayed alive and, in many instances, saved the lives of loved ones. They saved the lives of untold others from violence their assailants were trying to commit. They changed the lives of the thugs significantly, at least temporarily, by sending them to jail, or permanently by killing them outright. Robert Waters interviewed the citizen defenders in this book and makes their stories available in far greater detail than the local media cared to. The hidden side of the gun ownership story is seldom told, but Robert Waters does so in this book.
