Las genealogías (Alfaguara) (Spanish Edition)

Margo Glantz

Las genealogías (Alfaguara) (Spanish Edition) Margo Glantz

¿Conoce usted su origen? ¿De dónde vienen sus padres? ¿Sabe por qué tiene la religión que profesa? Preguntas similares responde Margo Glantz sobre su pasado y sigue el rastro de su familia en *Las genealogías*: “Mis padres nacieron en una Ucrania judía, muy diferente a la de ahora y mucho más diferente aún del México en que nací, este México, Distrito Federal, donde tuve la suerte de ver la vida entre los gritos de los marchantes de La Merced, esos marchantes a quienes mi madre miraba asombrada, vestida totalmente de blanco”. Margo Glantz desenmaraña los orígenes centroeuropeos de los Glantz, y los acompaña en su forzada peregrinación a principios del siglo XX, buscando mejores oportunidades de vida, hasta su arribo y asentamiento en México. Da testimonio de la epopeya de los suyos aún antes de que aquellos empezaran a ser lo que fueron, restaura olvidos, las huellas borradas de la forzada peregrinación, escribe con elegante soltura y rescata la formación de una identidad: mujer, judía y mexicana, a través de la entrevista a sus padres, de profundizar en la intimidad del hogar, del ejercicio de la memoria y de sus deseos adolescentes. Margo Glantz hace de *Las genealogías* su punto de partida y encuentra respuestas en esta monumental autobiografía familiar. **ENGLISH DESCRIPTION** Do you know your roots? Where your parents came from? Why you practice a certain religion? In *Las genealogías* Mario Glantz follows the trail of his past in a monumental family autobiography that untangles his Central European origins and family’s forced pilgrimage. “My parents were born in a Jewish Ukraine, very different from today’s and even more different to the Mexico I was born in, a Mexico City where I was fortunate to grasp life amidst the peddlers of La Merced, the same peddlers my mother, entirely dressed in white, stared at in wonder.”

From reader reviews:

Todd Voss:

What do you about book? It is not important along? Or just adding material when you really need something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They must answer that question since just their can do in which. It said that about book. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this particular Las genealogías (Alfaguara) (Spanish Edition) to read.

George Miller:

Nowadays reading books become more than want or need but also get a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book this improve your knowledge and information. The information you get based on what kind of book you read, if you want send more knowledge just go with schooling books but if you want sense happy read one together with theme for entertaining for example comic or novel. Typically the Las genealogías (Alfaguara) (Spanish Edition) is kind of e-book which is giving the reader capricious experience.

Delores Saenz:

Typically the book Las genealogías (Alfaguara) (Spanish Edition) has a lot info on it. So when you read this book you can get a lot of advantage. The book was written by the very famous author. This articles author makes some research just before write this book. This particular book very easy to read you can get the point easily after looking over this book.

Michael Espy:

Playing with family in a very park, coming to see the ocean world or hanging out with friends is thing that usually you have done when you have spare time, in that case why you don't try matter that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Las genealogías (Alfaguara) (Spanish Edition), you can enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't understand it, oh come on its identified as reading friends.
