Still Life Painting With Watercolor: Step by Step Introduction to Watercolors (Still life Painting Guide) (Volume 1) Parikh Publication

Still life painting is a beautiful, fabulous art which is as rewarding for the novice as for the experienced artist. This practical book found the essence of still life and uses a wonderful array of subjects to concentrate on its possibilities in watercolor: subjects that range from a collection of curiosities brought back from a walk on the beach and a pile of fruit and vegetables unpacked on the kitchen work top, to a more formally arranged group of carefully chosen objects.
