Eyewitness Hnbk Fossils (Collins eyewitness handbooks) Cyril Walker

A photographic guide to over 500 fossil species from around the world. The introduction explains how the book works, setting out the various fossil species in simple terms. The different specimens are then systematically arranged by family, and annotated to highlight distinguishing features, such as size and skeletal structure. Information panels give facts and figures for every example. Other titles in the "Collins Eyewitness Handbook" series includes "Shells", "Rocks and Minerals", "Butterflies and Moths", "Australian Seashores" and "World Trees".
