My Enemy's Cradle

Sara Young

My Enemy's Cradle Sara Young

Cyrla's neighbors have begun to whisper. Her cousin, Anneke, is pregnant and has passed the rigorous exams for admission to the Lebensborn, a maternity home for girls carrying German babies. But Anneke's soldier has disappeared, **and Lebensborn babies are only ever released to their father's custody-- or taken away.**

A note is left under the mat. **Someone** knows that Cyrla, sent from Poland years before for safekeeping with her Dutch relatives, is Jewish. The Nazis are imposing more and more restrictions; she won't be safe there for long.

And then in the space of an afternoon, life falls apart. Cyrla must choose between certain discovery in her cousin's home and taking Anneke's place in the Lebensborn--Cyrla and Anneke are nearly identical. If she takes refuge in the enemy's lair, can Cyrla fool the doctors, nurses, guards, and other mothers-to-be? Can she escape before they discover she is not who she claims?

Mining a lost piece of history, Sara Young takes us deep into the lives of women living in the worst of times. Part love story and part elegy for the terrible choices we must often make to survive, MY ENEMY'S CRADLE keens for what we lose in war and sings for the hope we sometimes find.
