The Great Powers, Imperialism and the German Problem 1865-1925 (Policy; 56) John Lowe

This is a lucid and well-structured text dealing with key issues in international affairs from the period of German unification to the aftermath of World War I. It:

- * Provides excellent explanation and analysis of the central issues
- * Clarifies a notoriously complex period of international history
- * Updates traditional books in this field of 19th and 20th century diplomatic/international history
- * Takes a thematic approach
- * Leads students through the main events and reviews recent trends in historical debate and scholarship
- * Includes an annotated bibliography

Consideration of 'the German problem' and 'the Balkan problem' have taken on a new urgency and relevance with recent developments in Europe, and this book provides an excellent introduction to the subject.
