BoysGirls

Katie Farris

BoysGirls Katie Farris

A host of characters emerge from a madwoman's dreams, populating a world as strange and magnificent as a painting by Hieronymous Bosch. A boy with one wing seeks the secret to flight. A girl with a mirror for a face, adored by all, longs to simply eat. A pregnant girl reflects on the effects of metamorphoses. The stories of boysgirls are modern myths: tales that exist within our present time but also outside it, in a place as eternal as Shangri-La or Middle Earth. An unforgettable book of Ovidian imagination, *BoysGirls* testifies that Katie Farris is one of the most talented prose stylists of a new generation.
