History of the First New Hampshire Regiment in the War of the Revolution (Classic Reprint) Frederic Kidder

Excerpt from History of the First New Hampshire Regiment in the War of the Revolution

The story of the American Revolution has been often written, and most readers are familiar with its prominent features of toils, privation and battles, as well as with the lives of its noted warriors and statesmen. But history like science and the arts is progressive, and we now desire to see details, we wish to know more of the every day life of that period, the names and doings of the humbler officers and men who were the participators in the long marches and sufferings, and also in the battles which produced such glorious results. But so far our history seems deficient in these particulars, as well as in giving us any information of the manner in which regiments were raised, armed, clothed, and supplied with the resources for war.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
