Don't forget a moment of this adventure! A great gift for yourself or someone else who is going on a cruise: a place to record events, sights, people, feelings, and all the business and fun of cruising. Comes with relevant quotes each time you turn the page, and space not only to write your entry, but a little gauge to score how much enjoyment your day brought. Handy index at the back to remember favorite entries or quotes. Photos and videos are great, but this is a place to express how it all affected you – what did you enjoy the most, what was invigorating, what was rather over-doing it and what must you definitely do again? Whom did you meet, what did they say? Useful to help remember their names, and things you didn't get around to doing this cruise but want to recall to make sure you do next time. Just a great place for all you Cruise News to treasure and reread for years to come.
