Some towns aren't meant to have their curses broken. Naomi and Penelope, the Dotson twins, don't believe in curses, particularly when they involve entire towns rather than individuals, but apparently most of the residents of Centerville feel otherwise. The latest in a string of what the twins call horrific coincidences is the murder of Joe Harbaugh, town councilman and business paragon. On the heels of his death, a series of break-ins at local establishments occur. The police narrow down their suspect list to one of Harbaugh's terminated employees, but the sisters aren't convinced. Together, Naomi and Penelope start their own investigation and get tangled up in a web of lies, kidnapping, and attempted murder. Can the Dotson twins solve the mystery before someone else gets hurt?
