From Book 1:

From the moment he arrives at Safe Harbor Medical, Ian Martin is on infant overload. But the story he's covering gets a lot more interesting when the adventure-seeking reporter meets Jennifer Serra, an intriguing PR director who has created a stir by taking home one of the center's unwanted newborns!

Jennifer has always wanted a child of her own. Her dream becomes thrilling reality when she agrees to temporarily-- permanently?--be a mother to a sweet baby girl. Ian could complete the picture--Jennifer sees how easily he bonds with little Rosalie.

But just when she begins to look at Ian as potential father material, the dashing journalist dredges up a scandal from Jennifer's past that could jeopardize her plans for adoption...and for a future with Ian.
