The Lecturer's Toolkit: A practical guide to assessment, learning and teaching Phil Race

The Lecturer's Toolkit is a wide-ranging, down-to-earth, practical resource for lecturers and teachers in universities and colleges. Jargon-free and written with authority, clarity and candour, the *Toolkit* addresses a broad range of aspects of assessment, feedback, learning and teaching, and helps develop many facets of professional practice.

Built around a central agenda of improving the quality of student learning, the *Toolkit* is outcomes-focused. Building on the strengths of its predecessors, this fourth edition includes strengthened emphasis on assessment and feedback, and designing large-group teaching for the digital age, when students can get easy access to a vast range of learning resource materials online. Coverage includes:

- how students *really* learn;
- designing assessment and feedback to enhance learning;
- lectures in the digital age;
- making small-group teaching work;
- resource-based learning in the digital age;
- looking after yourself;
- challenges and reflections.

Fully updated and expanded, this fourth edition of the *Toolkit* will be an essential and flexible resource for

every higher education professional.

Kenneth Porter:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Lecturer's Toolkit: A practical guide to assessment, learning and teaching can make you sense more interested to read.
