The Song Remains the Same

Allison Winn Scotch

The Song Remains the Same Allison Winn Scotch

One of only two survivors of a plane crash, Nell Slattery wakes in the hospital with no memory of the horrific experience-or who she is, or was. Now she must piece together both body and mind, with the help of family and friends, who have their own agendas. She filters through photos, art, music, and stories, hoping something will jog her memory, and soon, in tiny bits and pieces, Nell starts remembering. . . .

It isn't long before she learns to question the stories presented by her mother, her sister and business partner, and her husband. In the end, she will discover that forgiving betrayals small and large will be the only true path to healing herself-and to finding happiness.
